

We need your Stop and Shop Bonus Card!

Stop and Shop has started an exciting new program *in addition to* our food voucher program. If we register Holy Trinity School to your Stop and Shop Bonus Card, they will send us money every month based on your total purchases! You don't have to do a thing! We will enter the information as soon as the program is up and running. They only require your 13 digit bonus card number and your last name...that's it! Please send us your bonus card number. As a matter of fact, send us everyone's bonus card number—your parents, neighbors, siblings, co-workers—the more we collect, the more money they will send us. This money is earmarked to replace the technology money we lost from the State. It only takes a moment. Fill the form below with as many 13 digit Stop and Shop Bonus numbers you possibly can and send it to the office. Any questions, call Julia Wood-Verdic at (908)889-6347.

13 DIGIT STOP AND SHOP BONUS CARD NUMBER

LAST NAME
