

2007-08 Study Buddies Program

(6th through 8th grade participation form)

Wanted: responsible 6th, 7th and 8th grade student volunteers to become senior study buddies with 1st through 5th grade students. Study buddy sessions are held every Wednesday morning before classes begin from 8:00am to 8:25am in the cafeteria.

This weekly commitment is recognized for a Service Project Award, given at the end of the school year based on regular and consistent attendance. Being a senior study buddy is a wonderful opportunity to share your time and talents with younger students. You will be assigned a student and assist them week to week. (Please note the opportunity is based upon the number of requests received from the younger grades).

Typically, parents send their children with review-type work: spelling or vocabulary words, flash cards, money counting, chapter test reviews, time telling etc. Please note, actual homework is to be completed at home and not at study buddy sessions! The program will begin on Wednesday October 24th and run to the end of May.

If interested, please attend a brief meeting to review guidelines on Wednesday October 17th @ 8:00am in the cafeteria. Any questions, feel free to contact Mary Beth Howath (908)317-6951. Thank you in advance thank for considering this opportunity to help our younger students!
