Young actors have a rare opportunity to work side by side with some of the most talented actors on Broadway! Accompanist David Snyder, Choreographers Bethany Pettigrew and Kathy Munez

Special guests Michel Pawk and John Dossett

SKETCH COMEDY

9:30 A.M.- 2:30 P.M.

Paul O'Connor

The words "I can't" have no place in this fast paced, head spinning highly inventive environment! By design, campers experience what it's like to produce their own live show with very little time from basic idea to performance. The two week session culminates in an afternoon filled with original comedy sketches performed in front of a live audience of friends and family! *(class size is limited to approximately 20 students)*

GRADES 2-5

JUNIORS FULL OR HALF DAY PROGRAM

A.M. session 9-11:30/ P.M. session 12:00-2:30 / Full Day session 9:00 a.m.-2:30 p.m.

Paper Mill's Paul Caruso and Broadway's Karen Brassea

Immerse yourself in total fun as we improvise our way through theatre games and pantomime, while preparing our own version of classic...and not so classic stories. Campers learn performance and critical thinking skills through movement, voice, and imagination while bolstering self-esteem! A wonderfully invigorating way for children to take ownership of the creative process! *(class size limited to approximately 20 students)*
