Back To School Medical Package

Dear Parents/Guardians,

Please complete both sides of the attached emergency card and return it to the office as soon as possible. It is imperative that we are able to reach you in the event of an emergency during the school day.

Enclosed is a copy of our Health Bulletin to Parents. Please familiarize yourself with this information so that you are aware of the health programs offered at our school.

Note that if your child is to receive ANY medication in school (prescription or over the counter), you must complete the Authorization to Administer Medication in School form and have it signed by your physician. The school nurse or a parent/guardian are the only persons permitted to administer medication in school.

Thank you for your help and cooperation. If you have any questions, please call the nurse's office at (908) 233-1145.

Sincerely,
Mary Kaiserman RN
